About Me

I’m Meagan Maris, an astrologer, intuitive guide, visionary artist and spiritual teacher who helps people reclaim their radiance and remember their sparkle. I’m the creator and visionary artist of the Mermaid Empowerment Oracle Deck and founder of Mermaid Mystery School. My forthcoming book, Mermaid Mystery School, shares the teachings and spiritual technology of Mermaid Consciousness.

MERMAID CONSCIOUSNESS 🧜‍♀️

A path to ascension paved in beauty, bliss and sovereign sensuality.

Rooted in the pillars of self love, self forgiveness and self mastery.

Mermaid Consciousness uses the archetype of the Mermaid as a spiritual technology for healing, integration and conscious embodiment.

Cosmic Background

The Equinox is a sacred threshold when light and darkness come into balance, inviting reflection, recalibration and transformation.

Libra Season invites us to restore balance, beauty and harmony.

Electric Moon of Service | Sept 20 to Oct 17

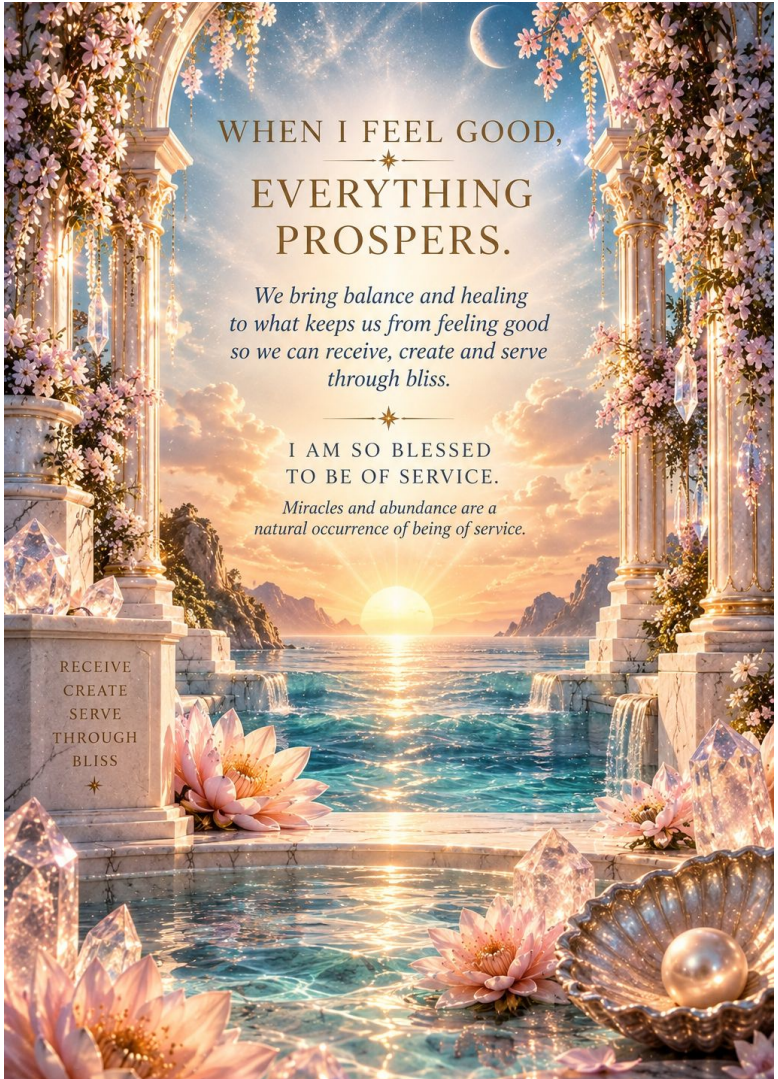
Venus Retrograde Cycle

Pre-Shadow: Aug 31 to Oct 3

Retrograde: Oct 3 to Nov 13

Post-Shadow: Nov 13 to Dec 15

Venus represents love, beauty, pleasure, values and receiving. This cycle invites us to recognize what nourishes us, what drains us and what we are ready to release with love and forgiveness.



Feel Good and Prosper

When I feel good, everything prospers.

We bring balance and healing to what keeps us from feeling good so we can receive, create and serve through bliss.

I am so blessed to be of service.

Miracles and abundance are a natural occurrence of being of service.
